Hello everyone. Thanks very much for coming to the Fourth Passaic River Symposium. I hope you found it worthwhile. I have a few important items to share with you.

1. The presentations from the Symposium are now on-line in PDF format. Visit <http://pages.csam.montclair.edu/pri/symposium2010>. I want to thank the presenters for sharing their presentations.
2. I have received several requests for a list of attendees. I have been reluctant to distribute this list without the asking attendees if it is ok, so I am now asking. If you do NOT want your name, affiliation and email included in the list of attendees, [click here to send an "opt-out" email](#). If it's ok to include you, you need not do anything. If I don't hear from you by July 16, I will assume it's ok to include you on the list. If you want the list to be sent to you, [click here to request the list](#).
3. I created a group on Linked-In for the Symposium, <http://www.linkedin.com/groups?home=&gid=3175866>. If you are interested, you can join this group and discuss issues on-line.

Finally, I would appreciate any feedback, positive or negative, about the Symposium.

Thanks again for coming

Regards,

Kirk
